

# LINTON Heritage

## Heritage Loudspeakers

The Wharfedale LINTON represents one of the most iconic models in the long history of Wharfedale loudspeakers. A model that embodied the Wharfedale pioneering research through the 60s, 70s and 80s, with a bloodline dating back to 1965, LINTON has always been manufactured according to the Wharfedale principles of quality and value for money. The new Wharfedale LINTON further exemplifies these two edicts, balancing fine craftsmanship, natural sound quality and affordability inside a beautifully proportioned loudspeaker that has been bought in its millions right across the globe through its various incarnations.

The original LINTON was well known for its warm, rich and natural sounding character and the new Wharfedale LINTON retains that character but imbues it with an open, detailed performance that will entice you to explore your whole music collection all over again.

Capitalising on modern-day trends of traditional styling allied to pedigree values, the Wharfedale LINTON is set to be a veritable modern classic.

## Classically Modern

A three-way speaker in the classic Wharfedale tradition - beautifully hand veneered with an inset front baffle and traditional cloth grille.

Bang up to date - utilising a mixture of traditional and advanced technology, for optimum performance whilst staying true to the legacy.

## Three-Way Design

Wharfedale's woven Kevlar® cone, mounted on a rigid die cast chassis, delivers a rich, controlled bass output with superb dynamic performance

Midrange frequencies are handled by a second, smaller Kevlar® coned unit - housed in its own internal enclosure

Woven textile soft dome treble unit - true to form, with a high flux ferrite magnet, engineered for smooth, detailed HF extension

## Endless Development

The highly researched crossover - 1000s of hours of listening tests have perfected the coherent, seamless musical output that is both thrilling and natural in its rendition of any source material

## A Genuine Classic

Fashions come and go but style defines itself. Class lasts a lifetime! The Wharfedale LINTON portrays the timeless elegance of a furniture-quality loudspeaker cabinet with an authentic legacy. Traditional, simple, yet beautifully crafted.

## SPECIFICATIONS

### LINTON Heritage Speaker

General Description	3-way vented-box/standmount
Enclosure Type	Bass reflex
Transducer Complement	3-way
Bass Driver	8"(200mm) black woven Kevlar® cone
Midrange Driver	5"(135mm) black woven Kevlar® cone
Treble Driver	1" (25mm) soft dome
AV Shield	No
Sensitivity (2.83V @ 1m)	90dB
Recommended Amplifier Power	25-200W
Peak SPL	110dB
Nominal Impedance	6Ω
Minimum Impedance	3.5Ω
Frequency Response(+/-3dB)	40Hz ~ 20kHz
Bass Extension(-6dB)	35Hz
Crossover Frequency	630Hz & 2.4kHz
Height (on plinth)	565mm
Width	300mm
Depth (with terminals)	(330+30)mm
Net Weight	18.4kg/pcs

### LINTON Heritage Stand

Height (on plinth)	437mm
Width	300mm
Depth	330mm

WALNUT finish

MAHOGANY finish

\* LINTON Heritage Stands are available as optional extra
