

ISPL

Iridium Solutions Pvt. Ltd

Iridium Solutions Pvt. Ltd. (ISPL) is an ISO 9001:2015 Company, with a wide array of products and services catering to many different establishments and verticals such as Large Warehouses, Industries, Corporate & Commercial buildings, Residential buildings, Hotels, Hospitals, Institutions, Schools & Colleges, Multiplex, Auditoriums, individual Villas and more.

ISPL has 3 independent verticals and product/Service Range:

- 1) **VAD**-Value Added Distribution of ELV & Home Automation Systems
- 2) **ELV Systems**- Customized Large Scale Integrated Extra Low Voltage Solutions
- 3) **FFTG Works**-Fire Fighting, Fire Hydrant Systems & Gas suppression systems

Iridium has etched its name as one of the leading Value added distributors, importers, integrators and turnkey solution providers for Extra Low Voltages (ELV systems), Electronic Security, Home Automation, Audio/Video Systems, Public Address and Background Music systems (PA/BGM), Entrance Automation Systems (EAS), Home theater Systems, IT/Network & Unified Voice Communication systems, Building Automation /Building Management Systems (BAS/BMS) , Electronic Fire detection, Fire Prevention & Protection Systems.

Iridium Solutions Pvt. Ltd. (ISPL) offers only high quality and certified products to our valued clients followed up with impeccable service and support. A dedicated QC team ensures product and service quality. An ERP based CRM solution ensures superior quality of service ,fast turnaround times and prompt grievance redressals.

Iridium Solutions Pvt. Ltd. (ISPL) is integrated right from imports and Regional distribution to a dedicated back-end installation and support system translating into a very high quality of service in addition to significant cost savings to the customer.

**The Iridium advantage is a straightforward guarantee of
QUALITY PRODUCTS , SUPERIOR SERVICES AND PRUDENT SOLUTIONS**

You, as well, have my personal assurance of offering the best after sales services that you and your associates so richly deserve.

We look forward to bring SAFETY, SECURITY, AUTOMATION AND COMFORT in your lives with our world-class product and service offering.

For, Iridium Solutions Pvt. Ltd.

Paras Shah
Chairman & Managing Director

PRODUCT & SOLUTIONS OVERVIEW:

Fire Fighting Systems (As per IS as well as UL/FM standards):

Turnkey solutions for fire hydrant & sprinkler systems, Fire Hydrant System, Sprinklers System, High & Medium velocity watery spray systems (HVWS/MVWS), Gas based automatic suppression systems (clean agent /CO2), CO2 Flooding System, Wet Riser System, Foam Monitor System and water mist system. We are experienced System Integrators for all kind of Fire Fighting Equipment's & Accessories like:- Sprinklers, Hydrants, Fire Extinguishers, Hose Box, Water Monitor, SS Flexible Hose, spray nozzles, Hose Pipe, Hose Reel and Couplings. We also undertake special application jobs requiring almost no Hot-work using grooved couplings.

We also provide complete basement ventilation systems with jet fans of axial or centrifugal type along with the required VFDs and carbon monoxide detectors. We help our customers with our value added technical expertise with hydraulic calculations, validation of design and accurate shop drawings for seamless execution

Fire Detection Systems:

Analogue Addressable Fire Detection, Conventional Fire Detection, Semi-Addressable Fire Detection system, full range of detectors including Smoke detectors, Multi-sensors, Manual Call Points, Sounders, Gas detectors, duct detectors, UV/Thermal detectors, flame proof detectors and all system modules and devices for controls, actuation of smoke-exhaust Fans/AHU/Ventilation etc. Specialized very early smoke detection with aspiration type detection suitable for data centers and similar setups.

Automated Entry Systems (Electro-mechanical operators)

Electro-Mechanical Operators for Entrance automation including Retractable Flap Barriers, Turnstiles & Tripods, Swing Type Motorized Gates, Automatic Boom Barriers, Crash Rated Barriers, Sensor doors, Sliding and Swing Gates, Tire Shredders and bollards. We work with multiple OEMs to ensure suitable solutions from cost effective to ultra premium and bespoke solutions.

Pro AV/ Board Room Multimedia A/V Solutions & Automation:

Complete Solutions for Conference Room Audio Video Systems including Video Conferencing Systems, Full range of high resolution business projectors, specialized A/V switches, Cable Systems like cubbies, popup boxes, media plates, Lighting automation and control. Large format Pro audio systems with active/passive line array systems for auditoriums.

ISPL

Iridium Solutions Pvt. Ltd

CCTV Surveillance systems (IP/Conventional/Video Analysis):

A complete range of Digital video Recorders in Economy and Premium range, IR cameras, Vandal Cameras, Speed Dome Cameras, Varifocal cameras, Professional IP Cameras, Network video recorders, PoE switches. High End storage and monitoring solutions with Professional license based Monitoring software and intelligent video analytics.

BAS/ BMS (Building Automation/ Management Systems):

Integration with HVAC, Electrical energy meters, Elevators, Fire pumps, surveillance, storage tanks, STP, thermostats, plumbing/hydro-pneumatics, etc with automation graphic software ,HMI, Direct Digital Control DDC controllers and field instruments (sensors and transmitters) as well as actuators and VFDs, multi-protocol integration such as BACnet, TCP/IP, RS-485, Modbus.

Electronic Access Control & T/A:

RFID based Access Controllers (Multi and Single doors), Fingerprint/Facial/Palm Geometry/Finger Vein Based Controllers, TCP/IP and GPRS based color T/A Devices, Electronic Fingerprint and RFID based Elevator control systems, RFID Hotel lock systems, Long Range Passive RFID based vehicle access control system.

Professional Public Announcement Systems:

PC-Linked/Conventional and IP based professional modular type Public address Systems, Background Music Systems, Home Multi-room Systems, TCP/IP based speakers, Pro Audio, Special Application Speakers (Water/Explosion/Fire Proof).

IP Video Entry Systems & Digital Door Locks:

IP based integrated Villa and Multi apartment Door Phones, Color villa type Video Door Phones DIY Kits, Villa Type VDP with memory and DVR function (all in one VDP), Multi apartment VDP systems with intercalling.

Home/Office/Shop Security & Safety (Sensors & Alarms):

Professional wired, wireless and hybrid burglar alarm systems, Passive infrared motion sensors, Glass break and magnetic sensors, GSM and PSTN auto voice dialers.

Home Theaters, Mini Theaters and Pure Cinema:

Audiophile Premium Cinema Setups, In/wall and On/wall Speaker Setups for custom theaters, HTib (Home theater in a box) systems, Large format speakers, Tower speakers, A/V receivers, Stereo Setups, stereo touch panels, 4K & 3D projectors, motorized, fixed as well as specialized 3D screens, Multi room Audio streaming Solutions.

Lighting Automation systems:

Smart Office and Smart Home Solutions with KNX controlled Premium Wired Lighting Automation including full range of KNX keypads, Mid range modular and wirefree zigbee automation touch panels, app controlled retro fit wifi modular touch switches, human centric lighting controls, Voice controls, apple home automation gateway.

IT NETWORKING(Active & Passive Systems):

Entire range of Products and Services from High-end to cost effective solutions for Passive infrastructure (optical Fiber, Copper), Network Racks, Smart Racks, Structured Cabling, Active Networking solution with Wireless(WIFI) routers and AP, Firewalls, Storage (NAS/SAN), Managed/Unmanaged Switches , Full Range of PoE switches.
